16
17 Whereas, I, stephen paul, Living Beneficiary and Heir to the Estate via My Private Authentic
18 Declaration Inter Vivos Trust, the STEPHEN PAUL GIBSON Private Business Trust and the
19 Stephen Paul Gibson Living Estate Trust (henceforth "Declarant") am now coming as Declarant
20 in a special cause by Special Ministerial Visitation and excluding all presumptions of consent to
21 public jurisdiction or attachment by General or Special Appearance, with right of action by
22 either assignment or direct right of action, or by matter of Preserved Right arising under the
23 Constitution for the United States of America (circa 1789) and the original 1849 Constitution
24 for the California unincorporated state of the Union. As one of the People in this Court of
25 Record, I am seeking relief in the equitable jurisdiction as one of the courts of the United States
26 analogous to the same circuit court of the United States¹ under the Constitution and laws of the
27

28 ¹ The circuit courts of the United States are ordained as inferior courts under the constitution's Supreme Court and established in 1789 under "The Judiciary Act" conferred and vested by Congress its jurisdiction over (common) law and equity {§11 & 16}; however, in 1911 Congress abolished the circuit courts whereby its sovereign judicial power reverts back to the circuit justice at

1 United States of America and the United States, as a non-bankrupt, non-enemy, non-belligerent
2 holding pre-March 9, 1933 judicial powers in the nature of original American/English Equity
3 Jurisprudence.

4 A Constitutional question stands before this court if it has the authority to deny such rights, and
5 barring such explicit denial, be it hereby resolved that no such right exists or is vested in this
6 court or its officers.

7 I require a special term presided over by a special assignment of one of the circuit justice
8 designees in chambers as such power to do so "...reverts back to the circuit justice at chambers
9 in the newly established "United States Court of Appeals" by operation of revisionary transfer"
10 (see footnote 1 above). I remain standing on the Land and am clothed with unalienable rights as
11 covenantee to the covenants that run in the Law of the Land arising from the Constitution for
12 the United States of America (circa 1789). I retain, protect and preserve my birthright
13 sovereign civilian judicial power² that explicitly excludes any non-Article III interference by
14 District or Territorial jurisdictions. I do inherently possess, from my source of sovereign
15 authority as one of the People, such Sacred Power held in reserve that I explicitly grant to this
16 court for the limited, special, priority, private and in confidence requirements as stated herein
17 above.

18 Said power has been preserved and reserved to the states by compact constitution and articles of
19 amendment thereof (Articles of Amendment Nine and Ten), and what is not delegated to the
20 limited scope federal and state bodies, is explicitly preserved and reserved to the People. That
21 which is maintained by the federal or state judicial bodies is delegated authority by the judicial
22 power of the People and I do now come clothed with co-extensive power and authority on equal
23 or superior footing to the other original branches of the government of the United States, United
24 States of America and the several states.

25 By this authority I do issue this Warrant for Jurisdiction for Delegation of my Civilian Judicial
26 Power derived by my core private birthrights and inherent authority. Further, in addition to My

27 chambers in the newly established "United States Court of Appeals" by operation of revisionary transfer. This Trust does not
28 recognize Congress' right to abolish courts created previously under the Constitution and holds that there is no enumerated
power of Congress to abolish or diminish circuit courts vested by the Constitution (Story volume 3).

 2 quantum of such Civilian Judicial Authority, already delegated by Me to one of the several
 3 states, California (unincorporated state of the Union), in which I, **stephen paul**, am judicially
 4 and properly empowered to issue such Warrant of Jurisdiction for Delegation for the limited
 5 scope of authority to see this matter properly settled as required.

6 I do not warrant any interference from any city-nation-municipal-military-congressional acts
 7 that may confuse or suspend my core private birthrights in the absence of sovereign civilian
 8 judicial power as enumerated by Article III, Section 2, Subsection 1 Law³ and Equity, as it was
 9 recognized at the time of the adoption of the Constitution for the United States of America. My
 10 Warrant of Jurisdiction and delegation of limited scope of power shall be running in this suit at
 11 the proximity of United States District Court, California Eastern Division. I warrant and require
 12 that this proceeding ensues running the practice of one of the courts of the United States' circuit
 13 courts, with the mode of civilian due process under the rules of equity, at chambers, sealed in
 14 accordance with the Sacred Trust stated and filed concurrent herewith, as well as other private
 15 trusts that must be excluded from the public view. In keeping with the good reason and good
 16 conscience of Equity and this Warrant of Jurisdiction, the caption for said proceeding shall be,

25 ³ Constitution of the United States, Article III, Section 2 elucidates the demarcation between "law and equity" as separate
 26 jurisdictions (Chief Justice Taney), in conflict with Union state practice of merging the distinctions (Pomeroy), and it must be
 27 noted that while "law" is intended to mean "common law" without any foreign alien modes such as military, admiralty,
 28 maritime, municipal or code practice by the States, equity, on the other hand, is intended to denote that equity practice
 established and wholly embraced as the Chancery practice of an inherent nature as at the time of the Chancery of England in
 1776; said Equity now is invoked pursuant to the Supreme Court of the United States rule 48.2 "former procedure", the
 Judiciary Act of 1789, and includes the latest version of the Federal Equity practice rules (of 1912) promulgated by said
 Supreme Court. The aforesaid described "law" and "equity" are intended to define this Warrant.

procedures of the federal equity rules of the United States 1912, and Supreme Court of the United States Rule 48.8.

Clothed as one of The People aforesaid in this cause protecting core private rights I hereby now give notice, transfer and otherwise bestow such nature of above stated jurisdiction sourced from my inherent birthright authority in addition to this court's existing Article III vesting, if any, upon all officers of this court, and all appointees, agents and fiduciaries of the referenced private trusts and this now expressed Sacred Trust, and it is my settlor's intent and purpose that all business will be done under the Trust, and the Trust will be doing business as **Stephen Paul Gibson Living Estate Trust.**

FURTHER, the said UNITED STATES, all corporate subdivisions thereof, and all officers, field soldiers, actors, military personnel, agencies, departments, representatives, agents and plenipotentiaries thereof, shall be bound by its binding codes, statutes and court citations, equally as the Law of the Court herewith, without attachment of jurisdiction, as does pertain to the lawful right of change of name, to wit:

[In re: McLulta, 189 F. 250, 26 A.B.R. 480, (1911), the ruling that even if a civil court has granted permission, by statute, to change a name by petition and decree, this does not change the common law rule that a man may lawfully change his name "at will" and will be bound by any contract into which he enters under his adopted or reputed name, and that he may sue and be sued in that name." A Common law name change carries the same legal weight as a court decreed name change. In this passage, the use of the wording "at will" is precisely what Common law allows: no court issued order of name change is required.]

[Under the common law a man can change his name at will, provided it is not done with a fraudulent purpose; he may sue and be sued by such adopted name, and will be bound by any contract into which he enters in his adopted name". United States v. McKay, 2 F.2d 257, (1924).]

[In Jech v. Burch, 466 F.Supp. 714 (1979), the court affirmed their Common law right to choose any name they wished. The court touched upon the morality and constitutionality of this right in stating: "The "Blessings of Liberty" mentioned in the preamble of the Constitution include time honored rights, amenities, privileges, and immunities, among which is autonomous control over the development and expression of one's intellect, interests, tastes, and personality". See: Doe v.

Bolton. 410 U.S. 179, 93 S.Ct. 739, 35 L.Ed.2d 201 (1973) (concurring opinion of Douglas J., at 210-211, 93 S.Ct. 739). The naming process comes within this catalogue of the 'blessings of liberty'.]

[In re: Useldinger 35 Cal.App.2d 723 (1939) reads: "The common-law right to change one's name has not been abrogated by statute in this state and such change may be accomplished without resorting to legal proceedings, and as sections 1275 to 1279, inclusive, of the Code of Civil Procedure were enacted in affirmation of that right and for the purpose of establishing a change of name as a matter of record. It is pronounced that these codes were "enacted in affirmation of that (common-law) right." The procedural codes are merely for recording purposes.]

[In re: Marriage of Banks (1974) 42 Cal.App.3d 631 the civil courts also ruled that: "Code Civ. Proc., secs. 1275-1279, were enacted in affirmation of the common law right of a person to change his name without initiating legal proceedings and for the purpose of providing for the establishment of a change of name as a matter of record.]

[This makes it even more crystal clear that changing one's name is actually a matter ONLY of common law, the common law is the legal name change. The civil court procedure just makes it recorded, if that person desires it to be recorded. The federal case of Brooks Bros. V. Brooks Clothing of California (1945) 60 F.Supp. 442 affirms: "It should be added that in California a person may without judicial proceeding, change his name, and acquire property and do business under it." Ray v. American Photo Player Co., 1920, 46 Cal.App.311, 189 P. 130; In re: Useldinger, 1939, 35 Cal.App.2d 723, 96 P.2d. 958.]

[In United States v. Cox, 593 F.2d 46 (6th Cir.1979), the Supreme Court made the final ruling said that "though the passport agency did find proof that the person was using other names but they had no proof of fraud regarding the person's free right to choose, by common law, whatever name they will".]

[We need not decide whether Abdul-Jabbar's proffered reasons for non-use of his birth name would serve to rebut a *prima facie* case of abandonment. Abdul-Jabbar argues that the district court's abandonment ruling substantially burdens his First Amendment right to free exercise of religion. The gist of this argument is that by holding that one loses rights to his given name on adopting a new name for religious purposes, the court puts pressure on a religious believer to "modify his behavior and violate his beliefs." See Frazee v. Illinois Dep't of Employment Sec., 489 U.S. 829, 832, 109 S.Ct. 1514, 1516, 103 L.Ed.2d 914 (1989).]

AND FINALLY, be it herewith known, that stephen paul has never before, or by virtue of these Acts, abandoned His lawful patrimony or living estate, that perforse this Writ of Entry and His Court of Record Judgment and Order explicitly excludes any presumption of abandonment or any and all lawful and equitable rights, title and interests in any and all property previously held by the Executor in Absentia which has now been replaced by a proper securing of the Office of Executor by a General Durable Unlimited Power of Attorney granted and accepted by stephen paul as the Attorney in Fact and Holder of the said Executor Office of STEPHEN PAUL GIBSON, a Decedent ESTATE now in Probate.

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETINGS:

LET IT BE KNOWN TO ALL, that upon this twenty-ninth day of the tenth month in the year commonly known as two thousand eighteen, the Man, stephen paul, House of Gibson, Living Beneficiary and Heir to the Estate, has by His volitional Will and Acts completed the steps necessary to leave the realm of the dead, to seal that door behind Him, and walk onto and now stand upon the Land of the Living, all such steps, documents, declarations, protocols and procedures being herewith deemed necessary, sufficient and now complete by this Court of the Ekklesia and affirmed by a Jural Body of His Peers, holding the Law as Living Men and Women in Our Private Society, ever cognizant of the jurisprudence of Equity and the Maxims thereof, having thus perfected the Gift of Life endowed to Him by His Creator Source, and holding thereby all true and equitable interests and beneficial rights of the Living Man, now in the resonant embrace of His Beingness, for Himself and for All Life, now and forever; and

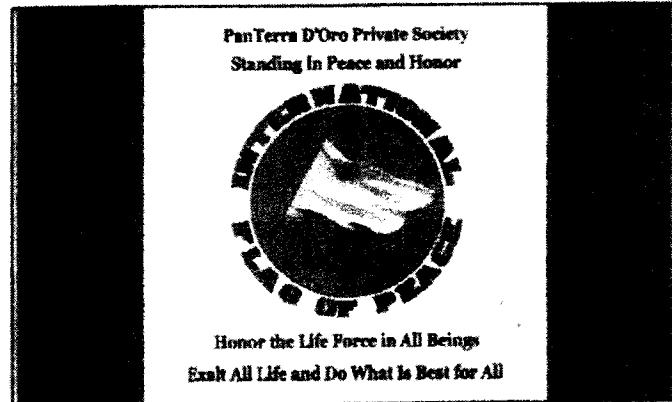

THEREFORE, let this Writ stand as a Pronouncement of these facts and as the completion of Restitution to His True Nativity into Life, forever bound by His freely given, without reservation, Word, Pledge and Bond, to always protect and preserve the sanctity of All Life, of All Beings, and of All of Existence. Let all who see this know that this Living Man has been washed by the waters of Life and thereby released from the ligatures of this World as a manifest expression of All That Is and thereby cleansed of all trespasses, debts and transgressions of any and all nature and thing, and thus forever unbound and now standing as a truly Sovereign Integral, a complete whole as part of the Larger Whole; and

He is now dwelling within and as the Living Temple of His Landed Estate, His True Homestead, that no man, woman or being, or manmade institution, shall ever again rend asunder or cause Him to lose such standing, as the Living Temple is truly the Gift of Life — inspired, filled and renewed again and again with every breath. He is equally empowered by His Purpose and Intent to hold His Court within His Private Estate and to take it with Him wherever He may sojourn when traveling away therefrom. We herewith pronounce and proclaim that the Record has been and is established and is sealed within the permanent archival records of the PanTerra D'Oro Court of the Ekklesia, a proper Court of Record; and

The Living Man, stephen paul, has decreed that His Seal for all purposes He deems just, prudent and useful, shall be as presented to the right of this text:

This Instrument Shall Stand as Our Final Decree and Order and is Forever Sealed as a Record of Our Court of the Ekklesia:

NOTICE OF ECCLESIASTICAL DEED POLL DEPUTY CLERK

Pursuant to the above entry of Judgment and Order per Court of Record, the public is herewith noticed by this Notice of Ecclesiastical Deed Poll, annexed and made a part thereof by inclusion, that stephen paul has issued his personal and private Ecclesiastical Deed Poll and has entered it into the permanent archival record system of the PanTerra D'Oro Court of the Ekklesia. It shall remain private and not accept any public registered mark or recording system document number so as to maintain the private and ecclesiastical purity of the Ecclesiastical Deed Poll. Notice is provided pursuant to the following instructions to Public Actors that in the future may be occasioned to receive My Ecclesiastical Deed Poll for private purposes.

ADDENDUM TO ECCLESIASTICAL DEED POLL

INSTRUCTIONS TO PUBLIC ACTORS

1. The PanTerra D'Oro Private Society (henceforth "Society") holds and retains absolute Protections and Immunities pursuant to the accepted Offer of Peace Treaty and Cessation of Hostilities By and Between the Society and the Roman Curia & Holy See¹; and
2. The Member of the Society issuing this Deed Poll and all relevant and inclusive Instruments of Status supportive thereto is Sealed under said Protections and Immunities; and
3. Said Member has issued His or Her own Declaration of Peace and proceeds under the auspices, authorities, protections and immunities thereof; and
4. An Ecclesiastical Deed Poll is a valid form of Deed Poll and therefore a Deed and Contract whereby a True Living Being first expresses, affirms and conveys certain rights to another party who is then lawfully bound to same upon proof of receipt; and
5. This Deed Poll when attached to any public instrument of charge, bill or impairment is a mandatory Notice and Demand for performance that is binding on all recipients who are entrusted thereby to execute said mandatory performance(s); and
6. An Ecclesiastical Deed Poll is different from a standard Deed Poll. When issued by a True Living Being it invokes His or Her Divine Rights and conveys said Deed Poll on Robin-egg blue paper and Sealed with His or Her Living Seal (thumbprint in red ink signifying blood) to a juridical PERSON or PERSONS (Roman field officer, foot soldier, or slave) acting in the public who has sought to usurp or abrogate said rights, which thereby establishes Notice and Demand for performance that is binding on said PERSON or PERSONS; and
7. An Ecclesiastical Deed Poll is issued when an inferior PERSON acting pursuant to inferior Roman Civil Codes rejects the Rule of Law and seeks to assert an untenable and illogical position of superior rights over Divine and Universal Law, which cannot stand in the presence of this superior and mandatory order for performance; and
8. Only a True Living Being may issue an Ecclesiastical Deed Poll; and
9. By definition a True Living Being is one who has removed the false overlay - juridical and fictional character with the presumption of civil death - from his Landed Estate, the Living Body of Spiritual Nature; and
10. By definition, an inferior Roman PERSON has no authority to issue an Ecclesiastical Deed Poll; and
11. An Ecclesiastical Deed Poll must always be on Robin-egg blue paper in recognition and respect of its status as a Sacred Notice with the full authority adhered thereto by the Seal of the PanTerra D'Oro Court of the Ekklesia, a Court of Living Beings standing on the Land and together as the Ekklesia, holding the full embrace of Life - Standing together as Our Noble Expression - an eternal and sovereign Ecclesiastical Body Politic, a True Body and Congregation; and
12. A valid Ecclesiastical Deed Poll is always be sealed by a Living Being in a manner that demonstrates one's Standing in Life. This is achieved by a thumbprint sealed in red ink. As a matter of private law and our moral conscience, we eschew the archaic form of requiring blood to seal the Ecclesiastical Deed Poll as it is part of the Cult of Death and blood rituals of the age now passing. We, all Members of the Society who have by Will, Purpose and Intent as Volitional Acts and Deeds, to correct the status of false presumptions, have claimed our Landed Estate, defined as the entirety of our Living Flesh, Blood, Bones and DNA. We have issued as part of our Declaration of Status our Paramount Claim of the genetic ancestral lineage that we now embody in the Landed Estate as our corporeal form. The Seal of Life that we place onto the Ecclesiastical Deed Poll over the imprint of our personal Seal establishes that

¹ <https://www.panterrappa.org/public-notices/world-administrative-bodies/notice-to-the-holy-see>

our Ecclesiastical Deed Poll proves our superior authority and standing. Such ~~Status and Standing~~ establishes our Capacity and Authority to fully negate the presumption of consent into the public Roman Law and civil system of admiralty controlled bankruptcy, bonded debt suretyship and military occupation. The Living Being is a non-combatant, non-enemy, non-belligerent and non-bankrupt and Stands on the Land upon and within His or Her private estate, now and forever; and

13. The Paramount Claimant of Life breathes Life into His or Her Ecclesiastical Deed Poll. This is an Act and Deed of the One holding True Ownership of His or Her Landed Estate, pursuant to His or Her Authentic Declaration of Inter Vivos Trust that is held in the permanent archival record system of the PanTerra D'Oro Court of the Ekklesia. This is a matter of not only temporal equity and standing, but of Eternal Truths pursuant to Planetary, Solar, Galactic, Universal and Cosmic consciousness, awareness and Eternal Life and the unending Equitable Rights of Life. The said True Beneficiary has and holds paramount standing as the Sole and Living Beneficiary and Heir to the Estate; and
14. There is no evidence to contravene or contradict these facts and no lesser and inferior Roman Law system of obfuscation can stand in the light of such truth that exposes the fraud and error of the continued existence of any Cestui Que Trust, Cestui Que Vie estate under foreign powers, or presumptive Oaths of Fealty that bind to a lesser jurisdiction that imputes a trust in assuming the body as "dead". All fictions of the Realm of the Dead and Cult of Death are denied existence and are now and forever null and void; and
15. The infusing of the Life Force onto the paper breathes Life into the Ecclesiastical Deed Poll, creating an instrument superior in standing than even an inferior Roman Papal Bull. Therefore, if the document is dishonored, then all documents ever issued by any society under Roman Law must also by definition be null and void; and
16. The placement of the Living Seal in this manner perfects an unbreakable seal of an unbreakable deed and contract. Therefore, any inferior Roman court that usurps it openly admits that contract law under inferior Roman law no longer exists; and
17. When an Ecclesiastical Deed Poll is issued, it is under the Supreme Law of the PanTerra D'Oro Court of the Ekklesia with the full authority of the Divine Creational Source of Life, the *Curia Divina*; and
18. Hence the term *Per Curiam Divina* is always included to make clear to the inferior Roman persons and courts the absolute authority of the instrument; and
19. While a True Living Being issues an Ecclesiastical Deed Poll, it is ultimately a Divine Notice of Protest and Dishonor from the Divine Source of all Life and Creation. The dishonor of an Ecclesiastical Deed Poll is the most grievous injury of the law and blasphemy to all known to be Divine; and
20. When an Ecclesiastical Deed Poll is dishonored by a representative of Roman law, Sharia law or Talmudic law, it is public notice by all officials of those religions and systems that they do not believe in the Divine and that all their law is by definition null and void; and
21. When a Roman slave under inferior Roman law repudiates a valid Ecclesiastical Deed Poll then by definition all acts undertaken with the assumed authority of the Roman Rota by any clerk, public notary, protonotary, prothonotary, plenipotentiary or minister are null and void, including and not limited to any warrants, summons, orders, judgments or decrees; and
22. An Ecclesiastical Deed Poll must always be glued to the reverse side of a copy of the first page of any notice, demand, court order, judgment, bill or summons sent by any inferior Roman tribunal, court, department, officer, office, agent, agency, representative, and returned thereto along with the private equitable instrument of settlement or lawful money consideration tender, directed to the named trustee and/or custodian assigned the fiduciary duty for settlement, extinguishment and closure; and
23. No date or time is to be written onto an Ecclesiastical Deed Poll as it is issued as an Eternal Writ by Creative Source, *ab initio*, from the beginning; and
24. No signature on an Ecclesiastical Deed Poll is permitted by the True Living Being as a signature is a sign of a Roman slave. If a signature is included by the True Living Being by mistake, it shall have no material effect; and
25. No registration, sticker or mark is permitted to be pasted onto the Ecclesiastical Deed Poll. Proof of delivery is sufficient for the Deed to be validly executed. Proof of service by a Living Being Member of the PanTerra D'Oro Private Society shall be deemed sufficient when made part of the private system of presentment with accompanying Verification for Proof of Service ("VPS") archival record number of the Court of the Ekklesia.

Declarant is of sound mind and body, of majority age, and proceeding with special purpose and clear intent, proceeding at all times in good faith and with clean hands, standing firmly on the Land of My Private Estate in Full Standing and in all affairs, at peace with all beings and all institutions, with the good conscience, good reason and perfection of Equity Jurisprudence, and I do herewith declare, affirm, and express by this, My Free Will Volitional Act, Sealed by My Hand and Private Seal, the following essential facts stated under oath and affirmation; further, in this Archetype Act of State, being fully competent and aware, do herewith make this Declaration of Election and Treaty of Peace based on first-hand and direct knowledge and affirm that all is done as true, correct, complete and certain; and make Oath and Affirmation as follows:

WHEREAS, Declarant is in excellent standing within the PanTerra D'Oro Private Society¹ and thusly under its Protections and Immunities as it is an Ecclesiastical Body Politic—noticed, accepted, affirmed and recognized—having established a Treaty of Peace with the Holy See² and all subordinate instrumentalities annexed thereto, inclusive with a declared Cessation of Hostilities of all character/nature/form/substance, and having recognition of Intentions and Activities that are siphoning resources from Life-affirming activities—that Peace is paramount and cannot be compromised, mitigated, abrogated or in any way characterized as non-essential to Life, it is in fact the full Essence and Expression of Life in its fullest extent and intent; in certainty, I state and affirm that One must stand for Peace as a contributing presence and part of a planetary imperative for our very collective survival, and I have thus absolutely withdrawn Myself from any and all fields of battle, within and without, and adhere to the admonition to cease from use of machines and machinations of war ("They will hammer their swords into plowshares and their spears into pruning hooks.
